Conditions

Organisers reserve the right to refuse an entry without giving reason.

Any decision by the Congress Chief Controller is final.

Rules of play are the current rules of play of FIDE.

Standard play grades will be used when Rapidplay grades are not listed in the current grading list.

Trinity School does **not** allow smoking on the School premises.

Entry on the day is possible. If you want to play in the first round then you will need to complete registration by 9.45 to allow time for pairings to be made. If you do not register by this time then you will be given a half point bye in the first round. Note entry on the day is dependent on the numbers entered as the aim is to provide spacious playing conditions. Hence, you are advised to ring first to check the availability of spaces.

If a player qualifies for more than one cash prize then he/she shall be paid the higher amount.

Ungraded players cannot win any cash prize apart from 1st or 2nd place in the Open, or best Junior (provided they compete in the Open section).

Photographs will be taken at the event for publicity purposes. If you object to this, please contact the event organiser
